### Biography

#### **Dr. Kemal Malik**

**Member of the Bayer HealthCare Executive Committee;  
Member of the Board of Management of Bayer Schering Pharma AG**

---

Since February 1, 2007, Dr. Kemal Malik has been a member of the Bayer HealthCare Executive Committee and of the Board of Management of Bayer Schering Pharma AG. In this function, he is responsible for Global Development and is Chief Medical Officer.

Dr. Malik was born on September 29, 1962 in Slough, U.K. He gained a Bachelor of Science in Pharmacology at the University of London, U.K. in 1984 and studied medicine at the Charing Cross and Westminster Medical School of the University of London, graduating as M.D. in 1987. Dr. Malik subsequently spent several years in clinical medicine at the Northwick Park Clinical Research Centre and at Hammersmith Hospital, London. Subsequently, Dr. Malik held various positions of increasing responsibility in medical affairs and clinical development at Bristol-Myers Squibb in the U.K.

Dr. Malik joined Bayer in 1995 as Head of Metabolism and Oncology Europe. He then served as Head of Global Medical Development before being appointed Head of Global Development and Compliance.
